Pearle Vision – TV Advertising Sales.

Midcontinent TV Advertising is helping Pearle Vision of Sioux Falls owner, Kevin, connect with customers through targeted cable television advertising. First, we focused on Kevin's best customers. What are they like, and what are the shows and channels they're watching? After that, the answer was clear; get Kevin's message in front of people most likely to come in for eye exams and glasses.

It was a prescription for success. Today the phones are ringing, new customers are seeing his commercials and coming through Pearle Vision's doors. And Kevin? He could really see the difference.

This is how we're making business better for Pearle Vision of Sioux Falls. See what Midcontinent Business Solutions can do for you.

LIMIT WHAT THEY SEE WITH PARENTAL CONTROLS.

With Midcontinent there's sure to be something on TV for everyone in your family, but not all programming is right for all audiences. That's why we offer parental controls that restrict content on live TV, recorded shows, Video On Demand and Pay Per View so you can manage what your family watches.

Simply setup a 4-digit PIN number to control content based on parental guide ratings, TV content, TV channel or show title.

Visit the midcocomm.com/TechTips, click 'Understanding your Interactive Guide' and 'Parental Controls' for a step by step video tutorial on how to set up your PIN and take control of what your children can view.
